Subject.

Employment of Additional Police in time of War

Notes and Orders.

'E' 1 The Pol. Department in their express letter No. F.11(59 E/39, dated the 6th September 1939, have sanctioned, as a - temporary measure, the entertainment up to a maximum of 15 Head constables and 124 constables on revised rates of pay. T-hey have ordered that the extra expenditure involved -- during the current year should be met from the Assigned -- Fract budget grant and application for additional allotment should be submitted in due course to the extent necessary.

P2c 2 The Commr. of Police ~~xxyxxkxxkxkxx~~ has recruited a tempy. additional force of 7 Head constables and 45 constables. He says that he has assumed that pension will continue as at -- present and that the officers enlisted will be paid the pay of the lowest grade of the rank to which they are appointed on the present scale.

Civil pension

3 The authority competent to fix the pay and allowances of the appointment in which the pensioner is employed shall determine whether his pension shall be held wholly or -- partly in abeyance. If the pension is drawn wholly or in part, such authority shall take the fact into account in fixing the pay to be allowed to him, vide Article 521 C.S.R. But the restrictions in this article do not apply to ex-policemen whose pension does not exceed Rs. 10/- a month- vide note 2 to Art. 521 C.S.R.

Military pension

4 When a person formerly in mily. service obtains employment in the Civil Dept. after having been granted a military pension, he shall continue to draw his military pension, but the authority competent to fix the pay and -- allowances of the post in which he is re-employed shall -- have, in fixing his pay and allowances in the post in which he is re-employed, the power to take into account the --

amount

Vide S.N. 7
File R.Dis.277/38
'M'

amount of pension- vide Art. 526(a) C.S.R. But if the -- military pension of a person does not exceed Rs. 9/- a -- month it shall not be taken into account in fixing his pay and allowances in the Civil Department.

5. It will be seen from the list received with the P.U.C. that there are 16 persons who draw civil pension exceeding Rs. 10/- a month and 3 military pensioners drawing more than Rs. 9/- a month. As discretion is given in both cases to the authority competent to fix the pay and allowances of the post there does not seem to be any objection to allowing these persons to draw their pensions in addition to their pay. The competent authority in these cases is the Resident.

6. The scale of pay for new entrants are as follows:-

Head constables

1st	grade	Rs. 41/-
2nd	"	" 37/-
3rd	"	" 34/-

Constables Rs. 16-21-22-23-25-26.

The Commissioner proposes to give pay at Rs. 30/- each to Head constables and at Rs. 21/- each to constables i.e. to Head constables less than the minimum and to constables the next higher stage in the scale. Under Fundamental Rule 27 the Resident is competent to fix the pay at Rs. 21/- in the scale of Rs. 16-21-22-23-25-26.

Draft submitted for approval.

F.A.

It will appear from the portion side-lined in S.N that the Commissioner of Police is under the impression the minimum pay of Head Constables is Rs.30/- whereas it is really Rs.34/-. I have discussed the matter with the Commissioner and his intention is that the re-employed Head-Constables should be paid the minimum of Rs.34/-.

The following six men were retired on compensation pension under the Retrenchment orders of 1931.

No. in the Commr's. list.	Name	Pension drawn.	Pay proposed	Pay drawn at the time of retrenchment
		Rs.	Rs.	Rs.
Head Constables.				
I. 2	Wazir Meyan	17- 8-0	34	38
I. 3	Mohideen Sheriff	15-14-0	34	42
I. 5	Syed Abdul Khader	20-11-0	34	42
I. 6	Abdul Gaffar	16-12-0	34	35
Constables.				
I. 2	Krishnaji Rao	13- 0-0	21	26
I. 10	Anthony	12- 6-0	21	25

As in all the cases the pay proposed on re-emplyment exceeds 75% of the pay drawn at the time of retrenchment, the portion of the compensation pension which they may be permitted to retain has to be determined by the Crown Representative under Rule 5(1) of the Re-employed Personnel (Conditions of Service) Rules 1932. Moreover as the pen-

sion

sion in all cases is in excess of Rs.10/- and it cannot be said that the re-employment will be for not more than a year the sanction of the Political Department appears -- necessary to allow full pension in addition to pay, under Article 514(a) C.S.R. also. We may recommend to the Political Department the drawal of the full pension without any reduction in view of the circumstances in which the re-employment has been made. Pending orders the pensions may be held in abeyance in the above mentioned cases.

I have put up a revised draft.

J. N. Rajagopalan 27.9.39

8

I have no objection to military pension and civil pension under Rs.10/- being paid in full at once. The remainder we are concerned with are those on whose behalf Political Dept.'s orders have to be obtained and Nos. 1, 4, 8 and 10 to 16. The Constables' pensions are only Rs.13 or Rs.14 and they too may be paid in full now. I suggest, however, that pensions to Nos. 1 and 4 be held up until we get orders about Nos. 2, 3, 5 and 6 from the Political Dept., since it is really reasonable that all these cases should be treated the same. We will, of course, recommend to the Political Dept. that full pension plus pay should be paid. Does F.A. agree? Will Office please draft to the Political Dept. about those with Compensation Pensions?

S.N. 1 'N'

The Commr. of Police in his letter No. 1706/A.G., dated -- 13-9-39, has stated that there will not be govt. quarters available for the tempy. addl. police force. They should therefore continue to live in their own houses, but in view of the fact that they will be receiving pension in addition to pay it is not necessary to pay them any house rent -- allowance.

S.N. 4 (PUC)

13 He now requests sanction to pay house rent allowance to

1 head constable and ~~10~~ 10 constables sent out to Arsikere Railway Police Station. Under Rule 64 of the Book of -- Financial Powers the Resident may sanction recurring expenditure not exceeding Rs. 200/- a year in any individual case. The payment of house rent allowance to 1 head -- constable at Rs. 4/- and to 10 constables at Rs. 3/- each will amount to Rs. 34/- per mensem or Rs. 408/- per annum. It appears therefore that the sanction of the Crown Representative is necessary.

17.7.40

I think the Resident may deal with the cases in the following manner without reference to the Political Department.

Items 1 - 10 in the list.
The full pension in addition to full pay was allowed by the Resident. The amount of pension proposed to be allowed in these cases (column 6) may be increased by the amount of house rent allowance.

Items 11 - 15.
The sanction of the Political Department was obtained to allow full pay in addition to pension. The net result of the present proposal in these cases amounts to an extra cost of Rs.1-8-0 per mensem. It seems that the existing rates of pay and pension already sanctioned may be allowed to stand.

S.N. 3 to 6. (17)

Item 16.
His pay may be fixed at Rs.26/- inclusive of house rent allowance, under Article 526(a) C.S.R.

Items 19 & 20.
As their military pension is less than Rs.9/- and civil pension below Rs.10/- per mensem it would not seem proper to reduce the pay or pension - vide Note under Article 526 C.S.R. and Note 2 under Article 521 C.S.R. The pay already fixed may therefore be allowed to stand and house rent allowance need not be granted.

Item 21.
Pay may be fixed as proposed.

The savings under the proposals as modified above amount to Rs.91-2-0 per mensem.

33 The Commr. of Police says that police constable Mohamad Khan who retired on superannuation pension on 16-10-43 is entitled to a pension of Rs. 9-6-0 in addition to a military pension of Rs. 9/- which he is already drawing. He requests sanction for the re-employment of the constable fixing his pension at Rs. 5/- per mensem, if for purposes of C.S.R.521 his civil and military pension should both be taken into account.

34 As the military pension of the constable does not exceed Rs. 15/- a month it should not be taken into account in fixing his pay and allowances in the Civil department-vide note to Article 526 C.S.R. In view of this the Commr. of Police may be asked to state whether the civil pension is to be fixed at Rs. 5/- or less. The initial pay to be given to the constable is also not stated in the PUC. The Commr. of Police requests sanction, in the case of policemen recruited from Malabar,

(a) to pay railway fare for the journey to join first post plus daily allowance and

(b) to grant railway fares or warrants for journeys to & from Malabar once in three years to enable head constables etc. to visit their homes on leave

(a) Travelling allowance is not admissible to any person for the journey to join his first post in Government service-Vide S.R.105. Sanction of the Pol. Department is therefore necessary. In this connection it may be noted that in 1942 one Amar Singh of Ludhiana was appointed as head constable in the Station Police Force as a special case in order to keep a more efficient watch on the many Chinese and Far Eastern Refugees in Bangalore. The Pol. Dept. were addressed for the grant of T.A. to him. They did not agree to the grant of T.A. but ordered that the recovery of the Amount of railway warrant from Ludhiana to Bangalore be written off. C.p.8 File D.237/42 'T' C.p.12 -do-

(b) Sanction of the Pol. Dept. will also be necessary to grant the concession similar to that given in Madras. In Decr. 1942 we recommended to the Pol. Dept. the grant of uniform allowance of Re. 1/- per mensem as in Madras. In reply they stated that the proposal was embarrassing to them as no such allowance was granted in other areas under their control. Subsequently they sanctioned it on the understanding that the orders would be reviewed every three years on the basis of the prevailing practice in the Madras Presidency. Para 4 of C.p.5-7 F.R.174/42 'V' Para 3 of C.p.9-10 " C.p.19 "

42 Now please see the Hon'ble the Resident's note in file R.174/42 regarding demands for extra allowances etc. to the police. Submitted for orders whether the Pol. Department may be addressed. Para 103 of Office notes 'V'

Perhaps, they may be inclined to consider the proposals favourably in view of the present recruitment difficulties, provided the concessions are asked for only as a temporary measure for the duration.

21-4-44

43 They won't like it, but I think we shall have to put it up as something must be done to improve recruitment.

22/4 H.R.

44 This is a small matter of difficulty in getting receipts perfectly reasonable in my opinion. This is rather a different matter other reported from my note on file 174. May be put up to P.D.

OFFICE OF THE

Diary No. 9549
File No.....

SIR,

Additional Police in Time of

I have the honour to report that I have recruited a temporary additional force of 7 Head Constables and 45 Constables. Of these, the 7 Head Constables and 42 Constables were taken on the strength as from the 3rd September 1939 and 3 constables as from the 7th September 1939. A list of the men taken on is herewith attached. This list shows whether they are ex-Police Officers or ex-Military men and the pension that they are now receiving. I have assumed that pensions will continue as at present and that the officers enlisted will be paid the pay of the lowest grade of the rank to which they are appointed on the present scale. This will, in the case of men recruited as Head Constables be, Rs.30/- and in the case of men recruited as constables, Rs.21/- per month. There will of course not be Government Quarters available for these men and I do not anticipate any likelihood of military quarters being available under the present conditions.
I therefore, propose that the temporary Police should continue to live in their own homes, but in view of the fact that they will be receiving pension in addition to pay, I do not think that it is necessary to pay them any house rent allowance.

I request that formal sanction as per the proposition statement attached may be obtained.

I have the honour to be,

Sir,

Your most obedient servant,

COMMISSIONER OF POLICE.

Para 7 (3) note

The Commissioner of Police, Civil and Military Station, Bangalore, has recruited a temporary additional force of 7 Head Constables and 45 Constables. Of these the following six men were retired on compensation pension under the Retrenchment Order of 1931:

No.	Name.	Pension drawn.	Pay proposed on re-employment (minimum in revised scale).	Pay drawn at the time of retrenchment.
	Head Constables.	Rs. A. P.	Rs.	Rs.
1.	Wazir Meyan ..	17 8 0	34/-	38/-

6.	Anthony ..	12 6 0	21/-	25/-

MFP—1206 S&P—(M-1723)—4-2-36—200,000.

As the pay proposed to these on re-employment exceeds 75% of the pay drawn at the time of retrenchment, the portion of the compensation pension which they may be permitted to retain has to be determined by the Crown Representative under Rule 5(1) of the Re-employed Personal (Conditions of Service) Rules, 1932. As the pension in all cases is in excess of Rs.10/- and it cannot be said that the re-employment will be for not more than a year the sanction of the Crown Representative appears necessary to allow full pension in addition to pay under Article 514(a) C.S.R. also.

In view of the circumstances in which re-employment has been made I recommend that His Excellency the Crown Representative may be pleased to sanction the drawal by the re-employed pensioners of their full pension in addition to the proposed pay

FROM

J.M.Green, Esquire, I.P.,

COMMISSIONER OF POLICE,
CIVIL AND MILITARY STATION,
BANGALORE.

The Secretary to the Hon'ble the Resident in Mysore,
BANGALORE.

SIR,

Subject: Additional Police for War emergency -- Refixation of Pay and Pension.

I have the honour to refer you to the proceedings of the Hon'ble the Resident R.Dis No.F 581-39-G & A dated 3-10-3 and his confidential letter of the same number dated 28-10-1939 sanctioning the re-employment of the Civil and Military pensioners who were recruited in September 1939 as a temporary additional police Force for War emergency, and allowing them to draw their full pension in addition to the minimum pay of the post as an emergency measure.

Now in view of the need for economy, I propose to revise the pay and pension of the following temporary men to what they would ordinarily be eligible for under the Civil Service Regulation and to allow them house rent at the usual rate viz., Rs.4/- per mensem for a Head Constable and Rs.3/- for a constable.

Sanction has been accorded to draw house rent at these rates for 1 head constable and 10 constables of the additional Police at Arsekere in Govt.No. F.11(69)-E/39 dated 28-10-1939. This is no longer required as they have been withdrawn to head-quarters. Instead of this, sanction is requested to draw house rent for the 6 head constables and 14 constables whose pay and pension are now proposed to be revised. The other men of the additional police force whose pay or pension is not subject to reduction under the Civil Service Regulations will be allowed to draw as before but not paid house rent.

19

Formal sanction is also requested for the re-employment of retired constable no.477, Syed Yusuff from 28-10-1939. He is getting Rs.8-10-0 as his pension and under C.S.R. 521 he is entitled to the minimum pay of the post viz., Rs21/-.

The above proposals, if given effect to, result in a saving of nearly Rs.100/- per mensem as shown in the subjoined statement

All the officers affected have agreed to continue under the conditions now proposed, with two exceptions. These I shall replace as soon as possible.

I have the honour to be Sir,
Your most obedient servant,

COMMISSIONER OF POLICE.

ADDITIONAL POLICE FOR WAR - RECRUITMENT.

I am having the greatest difficulty in recruiting men for Additional Police sanctioned from time to time. I have now about 130 vacancies, and am lucky if I get one or two men a week. The position is really serious.

I therefore wrote to the District Superintendent of Police, Malabar, to know if he could help me. He has sent out a circular to his Inspectors telling them of my need. He has promised that Railway fare will be paid for any selected men from their native place to Bangalore. This is a reasonable and essential concession, and I request that sanction be accorded to pay to any such recruits selected from Malabar, their Railway fare from native place to Bangalore plus Daily allowance for the journey at the usual rates.

The following is a copy of paragraph 310(5) of Madras Police Standing Orders, Volume I :

"Head Constables and constables who are natives of the Malabar district serving in the Police Force of the Madras City or in any district of the Province other than Malabar are granted railway fares or warrants for their journeys to and from Malabar, once in three years, to enable them to visit their homes on leave. This concession is admissible to Havildars-Major (Jamadars) of the Armed Reserves in similar circumstances. "

I request that this concession be introduced in the C & M. Station also.

To

Sir,

Reference: R.F. 581-39/G & A dated 26-5-44 communicating the sanction of His Excellency the Crown Representative to the grant of certain concessions to H.Cs and P.Cs of the Bangalore Police belonging to and recruited in the Malabar District.

.....

There are nine cases of Head Constables and Police Constables who belong to the Malabar Coast, outside the Malabar District, but were recruited in Bangalore, whether they came to seek employment. Of these two were recruited long before the war. The remainder were recruited at various dates between December, 1939 and January 1944. 4 of these are from Cochin State and 5 from Travancore.

As the number is very few, I would request that the concession of the grant of rail fares or warrants for a journey to and from their native places for leave, once in three years, be extended to natives of The Malabar and South Kanara Districts of Madras Province and of the States of Travancore and Cochin.
